Dear Rebekah,

I would like to strongly object to the above planning application on behalf of my tenants Mr & Mrs Newton and myself as the owner of 150 Abbey Road,Lancing. After viewing the plans online and discussing it with Mr Newton we both feel it is far to high and as shown on the plans also to close to our property and will cause even more loss of light I hope you will consider these concerns when making a decision on this proposed planning application.

Kind Regards

Derek Taylor
