Dear Hannah,

RE: **AWDM/1401/24 – 8 Abbots Way Lancing West Sussex BN15 9DH**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the erection of a room in the roof consisting of extending roof over new single storey extension and construction of rear dormer. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application.**

Yours sincerely,

Sustainable Water Management Officer
