Reasons for comment: - Highway Access and Parking

Comments: whilst i support plans for the six single storey homes with rooms in the roof it is the three parking spaces i have concerns over. in effect there could six or more cars bearing in mind that anweir and wembley avenues are already congested where do they park whilst not upseting the residents of the avenues. also there is the iminent completion of twelve homes in wembley gardens also with inadequate parking. maybe in future the planners could look more closely at this
