Dear Sir/Madam,

Single-storey rear extension

104 Southwick Street Southwick Brighton West Sussex

Further to your recent application for the above under Town & Country Planning Acts it would appear that, should permission be given, you will be required to comply with the requirements of the Building Regulations 2000.

I enclose the relevant Building Regulations application forms and Building Control fees advice note for your use.

If you require any further information, or if you wish to discuss any matter relating to a future Building Regulation submission to this Council, please do not hesitate to contact the Building Control Section.

Yours faithfully,

Building Control Partnership Manager
