PLANNING SERVICES

Dear Sirs,

Ref. Follow up on the visit by Mr Peter Barnett in relation to planning application number AWDM/0896/15 for proposed extension and workshop at 13 Southdown Road, Shoreham by Sea.

I am writing to confirm the recent visit by Mr Peter Barnett of the planning department in relation to my concerns and objection to the proposed development of the property named above, during the visit Mr Peter Barnett discussed the planning application and made a note of the specific concerns I have in relationship to the proposed development works.

Mr Peter Barnett confirmed to me that he would issue the list of my objections to the planning committee and the relevant planning officer dealing with the application.

I would be pleased if a copy of the list of objections could be sent to me.

I would also like to thank Mr Peter Barnett for the time taken and his helpful manner, I have been unwell for the past year and have been unable to compile the list of objections myself.

Please send a copy of this letter to the relevant planning officer to ensure that my objections are recorded against the planning application as noted above.

Yours faithfully,

[redacted]

Mrs A E Best
