Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	We have no objection to the proposed renovation and conversion plans for 39 Ingleside Crescent, but our only concern is the privacy issue as the two windows at the rear of the dorma face directly into our daughter's bedroom. We would suggest that the dorma windows' glazed glass were frosted, like the ones usually used in bathroom windows which allow light in and would resolve the privacy issue.

Kind regards
