Dear sirs,

I am writing this to express my total support for the objections raised in connection with the above planning application for a dormer at 12 Queens Place, especially those from Mrs M Martindale and Mr A Popkiewicz who, I know have written to you on several occasions. I feel it would be a most unsightly and inappropriate construction in the midst of these small, traditional old cottages and an overwhelming intrusion into the privacy of neighbours, including ourselves, at number 14.

Yours sincerely

Susan Smith
