Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	Do not agree with the lumination, in particular towards our property which is next door to the pub. Since the changes we already have noise pollution on a regular basis which, while maybe within its terms, is within a populated area and feel more consideration must be given to the neighbours, we do not find it acceptable to have light pollution as well! Disappointed that they did not mention this to us before putting in the application.

Kind regards
