ZUMTOBEL Group

This design drawing is for a lighting scheme which has been prepared for the client in collaboration with the client and other stakeholders, and is based upon the pre-construction information provided. The design should be checked by competent and experienced electrical persons and in accordance with the design drawings, applicable installation instructions and all applicable laws. No changes should be made to the design or the installation without the design being re-approved in advance from ZG Lighting (UK) Limited, to ensure that any risks to health, safety and property arising from proposed changes can be identified and properly assessed.
