Hello Marie,
So long as sufficient bins are provided and have space to store at the back we would collect from there as we do with the adjacent addresses. Might be worth putting a condition in just to make sure this happens. We do not want to collect at the front as this will be in front of the retail units.

Regards
Paul

Details of this can be secured by Condition if required. The bins will be moved round to the road on collection days.

Hi Paul

The Council's Waste Strategy Manager would like more information about refuse and recycling facilities for the 3 units proposed.

Please explain how the site is currently served and the intended facilities.

Many Thanks.
