Dear Marie,
My name is Peter Dennett, I am Denise Dennett's (owner of No7 Crabtree Lane) husband and am writing this email with Denise's full knowledge and agreement.
Please accept this email as our agreement to move the window at No7 Crabtree Lane as discussed below in this email chain.
We have agreed with Matt Pool that we are happy for the window move, subject to architects instruction (as to best repositioning) and costs being covered by No9.

If you require any further authoritative instruction please let me know or reply to Denise directly (CC to this email). Denise works in Worthing town hall and can confirm personally if necessary.

Many thanks,

Rev. Peter Dennett
