This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC in its role as Local Highway Authority (LHA) has been reconsulted by the Local Planning Authority (LPA) for the above application, following the applicant's submission of amended plans. The LHA previously provided comment on this application, dated 13/01/2025, raising no highway safety concerns.

From inspection of the amended plans, the amendments appear minor and would not warrant further comment from the LHA. As such, the LPA are advised to refer to the LHAs previous consultation response, dated 13/01/2025, which can be applied to the current set of plans.
