Dear Peter

Full Planning Application for a new sand school
New Erringham Farm, BN43 5FA
Application Reference: ADC/0259/10

Following your request for further information on the site levels and amount of cut and fill proposed as part of this application, I enclose a number of new drawings for your consideration. I also enclose a brief note that discusses each of the new drawings.

You will see that we have also enclosed a revised site plan, which now shows a red line around the sand school and the area that we propose to re-profile. As a result of this amendment, the site area has increased by 0.1ha and an additional £170 cheque is being provided under separate cover to address the difference in the application fee.

I understand that you will need to re-consult on this application following receipt of these new drawings, and that the Committee date will need to be pushed back as a result. I would be grateful if you could let me know once you have the new date.

Yours sincerely
