Dear Louise,

RE: AWDM/0637/26 - 34 Lyndhurst Road Worthing West Sussex BN11 2DF.

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the change of use of part ground floor and first floor from retail (Use Class E) to small house in multiple occupation (Use Class C4); roof extension including rear dormer and front roof lights. The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application.**

Yours sincerely,

Sustainable Water Management Officer
