Dear Sir/madam

I unable to make my views known regarding the above application as there is an input error on your website, hence my email to you.

I object to the planning application on the following grounds:-

Noise pollution

The entry and exit of vehicles would undoubtedly cause unacceptable high levels of traffic and cause traffic congestion in marine crescent and nearby roads. The crescent is not wide enough to cope with the possibility of an additional 150 cars or more per day.

The planned bar is at odds with the local plan as a local wildlife site.

I'm also very concerned that allowing overnight accommodation for camper vans will encourage overnight parking of motor homes on the carriageway which is prohibited by WSCC.

Lastly, the entire visual appeal of the Goring Gap would be massively diminished.

I trust this objection reaches the appropriate people by close of play on Wednesday 15th July.

Yours sincerely

Linda Stevens
