This message was sent from outside Adur & Worthing Councils

I wish to register my objection to the above planning application on the following grounds.

This is the last green space left along this coast and is a haven for local wild life including Tawny owls.

And has been designated as a local wild life site.

The proposed activity on the site are not appropriate in this area .
The noise from such activities would not be appreciated by the many visitors who come to enjoy the tranquility of this much loved area.
Allowing overnight accommodation for camper vans would encourage overnight parking of other motor homes which the WSCC has prohibited.

Also the sale of alcohol in a residential is bound to cause problems.
