Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	This is a church and already has two dwellings within it which it accommodates people staying over. Any more would be completely unnecessary. This is not a hostel and nor do we want it to be. If granted, would pave the way for other people to build a structure in their garden/grounds to accommodate people, which again is completely unacceptable. I therefore object to the this planning proposal.
