Subject: OBJECTION AWDM 1596/25

To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>, dom.ford@worthing.gov.uk <dom.ford@worthing.gov.uk>, mike.barrett@worthing.gov.uk <mike.barrett@worthing.gov.uk>

Good evening,

I wish to object to the planning application for a phone mast at Durrington community centre.

The mast and accompanying cabinets would be a horrendous and very significant eyesore to the landscape. It would dominate views in the local area and have a detrimental affect on the appearance of the surrounding areas.

It will certainly not enhance the local environment by way of its appearance and character,

I am concerned about the health implications of living so close to such machinery.

I am also very concerned about the negative impact it would have on the attractiveness of the landscape in our area and any risk that would have to our properties, should we look to try and sell in the future.

I strongly object to the planning application.

Kind regards

Ella Prior

Resident of Canberra Road, Worthing
