Dear Madam,

WB/10/0094/OUT
17. Heene Rd. West Worthing
Outline app. for demolition of existing garage and erection of 1. 3 bed. dwelling

After viewing the site within the conservation area, we consider the erection of a 3 bedroom dwelling in the rear of this property undesirable. We do not object to the demolition of the garage block. However, this relatively small area should be enhanced and landscaped, to include a designated parking area for residents vehicles.

When these imposing properties were built as family houses, they enjoyed the amenity of rear gardens. Even though they are now split into several flats, that amenity should still exist.

Yours sincerely

Secretary.
