Commenting on application ADC/0369/09

TOWN & COUNTRY PLANNING ACT 1990

TOWN & COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

CHIEF EXECUTIVE'S DEPARTMENT
- 5 OCT 2009

Proposed development
Continued use as vehicle repair garage including M.O.T testing with additional 4 parking spaces (renewal of ADC/0329/07)

Location of development to which application relates
M & D Motors Hawkins Road Shoreham-by-Sea West Sussex

Comments As I'm sure you are aware, Hawkins Road is quite narrow allowing only one-side parking, this situation often results in residents having difficulty in accessing their driveways, due to thoughtless parking by non residents The situation is made worse by M and D. Motors using the road for parking and storing vehicles. Gridlock situations are not unusual, especially when parents are dropping off and collecting children from Holmbush School I note now that the grass-verge / pavement space is being used for vehicle parking causing damage to the grass and inconvenience to pedestrians

I understand that existing planning Regulations preclude M and D Motors from using the road for parking and storage of vehicles. If this is so, then the Regulation should be enforced and parking and storage should be on their premises

Hawkins Road is a residential road. Sadly it has become a 'Rat run' for drivers from the Kingston Lane area The speed limit should be reduced and traffic calming measures considered

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – ~~YES~~ / **NO**
