Comments

Concerned about ~~height of extention~~ height + length. If given permission height of shower + bedroom will block out any natural light from my property.

I think the whole development plan is too large for current property and will block light from my property - Neighbour told me that they were replacing current structure not building something much bigger.

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – **YES / NO**
