Subject: Clubhouse Development Proposal
To: <gary.peck@adur-worthing.gov.uk>

Dear Mr Peck,

I fully support the clubhouse development at Hill Barn, including the addition of a café. This proposal will help generate vital income for Worthing United, ensuring the club can remain self-sufficient while continuing to invest in and improve facilities for the whole community.

As a not-for-profit organisation, it's clear that any funds raised will directly benefit both the club and the wider park area.

I believe this development will be a positive asset for Hill Barn and the local community.

Kind Regards
