Subject: Hill barn football development

To: <gary.peck@adur-worthing.gov.uk>

Hi Gary,

I just wanted to lend my support to the AWDM/0291/26 application which includes a cafe for the football club to better serve match days and raise funds so the club can better take over the upkeep of hill barn. Worthing town has a huge complex with cafe and yet all Worthing utd can offer is tea and coffee. It's important that clubs get a regular income to help them provide for the kids and care for the grounds.

Happy to be contacted further if you want to discuss.

Regards

David
