Hi, I would like to comment on what a great idea a cafe would be at the Worthing united facility. The much needed changing and storage facilities which has always been a feature ever since I was a young man playing football there I always felt it lacked the option to buy a nice hot drink on cold day or some energy before and after a game. The cafe, which I understand will be non-profit will provide much needed funds to maintain the pitches and facilities. I hope this goes ahead especially for the kids but also the bigger kids in us all which still play the beautiful game!

Regards
