Subject: Clubhouse development; Worthing United

Dear Sir/Madam,

I am writing to express my strong support for planning application AWDM/0291/26 regarding the Worthing United clubhouse development at Hill Barn, including the proposed addition of a café.

The inclusion of a café is a positive and important element of the project. It will provide a sustainable source of income for Worthing United as they take on the responsibility of running the facility. As a not-for-profit organisation, any revenue generated will be reinvested into the club and the wider community—supporting improvements to facilities, enhancing opportunities for local residents, and contributing to the upkeep of the park.

This development represents a valuable investment in community sport and wellbeing. Worthing United plays a key role in bringing people together, particularly young people, and providing accessible, inclusive activities. The proposed café will help ensure the long-term viability of these benefits.

I fully support this application and hope it will be approved.

Yours faithfully,

Ms Nadia Riaz
