To whom it may concern

I am writing in support of the proposed plans to extend and develop the Club House at Hill Barn to include a cafe on site.

The proposed plan will be much more aesthetically pleasing than the current collection of containers. It will provide the park and residents with a local cafe facility, making this a safer and more inviting space.

The facilities will also support the Worthing United football club, providing better facilities for young players and their families from across Sussex on training and match days.

Please consider this response in strong support of a vital community-led initiative.

Kind regards

Mrs S Richardson
