Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment
Comments:	Very concerned about the number of properties being added to the side of number 41 which in turn will bring more cars on our road than a single property. Overmead has limited parking and adding two driveways would take away spaces to the shared street parking and more cars from the properties would make it more difficult for existing residents to park. Also, the visibility when exiting Overmead is already difficult and dangerous and extending the property would impact on this further.

Kind regards
