Dear Ms Moseley

Consultation by WSCC (Regulation 3) on application WSCC/025/13/SU for amendment of Conditions 2 and 8 of planning permission WSCC/056/11/SU to allow revised layout of southern landing of new footbridge.

Adur Foot Bridge, Shoreham

Thank you for consulting this Council on the above application. The matter was considered by the Adur Planning Committee at their meeting on 7 May 2013.

The Committee resolved to support the proposed amendments as recommended in the Officer report (copy enclosed).

For your information, members of the Shoreham Slipways Group spoke at the meeting and reiterated their wish that the works should not compromise the ability to provide a slipway in that location in the future.

I trust that you will take these representations into account before reaching a decision.

Yours sincerely

Peter Barnett
