Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Comments: I am writing to object to the planning application of the conversion of the existing buildings to create a two-storey studio on the land and buildings west of 19 to 25 Underdown Road because of the following reasons: 1. It is too close to my property under planning restrictions for a second storey to be built. 2. Overlooking, loss of privacy and light. 3. Noise pollution and disturbance from the studio and building works. 4. Smells from the studio will affect us when in the garden and when bedroom windows are

open.

5. Traffic will increase and parking will be compromised overflowing in to the residential streets of Underdown, Cross Road and the surrounding areas.

Kind regards
