Tracy

The building is within a Conservation Area. We need to see the method of installation of the internally illuminated fascia sign in relation to the existing fascia that contains vertical columns (or pillars) which divide the shopfront and the front elevation as a whole. Unfortunately on the basis of the limited information submitted it is not clear how this sign will be provided, and in particular how far out it would project.

The 1:20 section plan requested would clarify this, and I would be grateful if you would kindly submit these details, upon receipt of which the application will be registered and considered on its merits at the earliest opportunity.

Kind regards

Elaine

I cannot see why this information should delay the registration of the application, a section for the sign has been provided. I can provide this

additional information following a new survey, however as this is not a standard validation requirement I feel the application should be registered and proceed.

Regards

Tracy Barwick

Subject: WB/11/0139/ADV - 30 - 32 Chapel Road, Worthing, West Sussex, BN11 1BE

Dear Ms Barwick

Application No:	**WB/11/0139/ADV**
Location:	**30 - 32 Chapel Road, Worthing, West Sussex, BN11 1BE**
Proposal:	**Installation of 1 part illuminated fascia sign, 1 part illuminated projecting sing, 1 set of applied window vinyls, 1 non-illuminated sign and 1 applied vinyl window graphic.**

I refer to your planning application dated 22nd February 2011 relating to the above proposal.

Unfortunately, I am unable to register your application as it is incomplete. Would you please forward the information/plans as indicated below.

We require details, in section, to a scale of 1:20, of the construction, projection and method of installation of the fascia sign, of 0.09 metre depth as stated in the application, in relation to the brick columns of the shop front and the existing fascia panel on and across which the proposed fascia sign is to be displayed. It is not clear from the submitted details how the example of the fascia sign would be applied to 30 Chapel Road - but this is needed before the application may be registered, advertised and determined.

Upon receipt of the additional information the application will be processed as quickly as possible.

If I can be of any further assistance please do not hesitate to contact me.

Kind regards

Elaine
