Details of Development
VEHICULAR ACCESS

Location of Development
30 BUSTICLE LANE SOMPTING LANCING WEST SUSSEX BN15 0DJ

In pursuance of their powers under the above-mentioned Act and Order the Council hereby notify you that they PERMIT the above development, in accordance with the application and relevant correspondence registered on 22nd March 2010.

This is for reasons stated on the attached schedule and subject to compliance with the conditions specified thereon.

James Appleton
Executive Head of Planning, Regeneration and Wellbeing

10/05/2010

SCHEDULE

Reasons for Granting Permission

01. The proposed vehicular access would assist in reducing on-street parking and does not detract from highway safety nor conflict with policy AG1of the Adur District Local Plan.

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No use of the vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

Reason: *In the interests of highway safety.*

03. The access shall not exceed 3 metres in width and shall be laid out to provide visibility splays on each side of its junction with the existing public highway. These splays shall be 2 metres by 2 metres on each side of the access based on the existing highway boundary. No other work shall be carried out on the site until the above mentioned splay areas have been provided and thereafter they shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

Reason: *In the interests of highway safety.*

04. The development hereby permitted shall be carried out in accordance with the following approved plans: 1:1250 site location plan ref PP - 01011099 date stamped received 22.03.10; and the amended 1:75 block plan ref PP-01011099 date stamped received 14.04.10.

Reason: *For the avoidance of doubt and in the interests of proper planning.*
