Dear Sir

Your Ref: **ADC/0093/10**
Location: **Longacres Farm, Steyning Road, Shoreham**
Proposal: **New two-bedroom bungalow on site of existing mobile home**

The South Downs Society has concerns over this site, which appears to be a rather neglected area in great need of improvement. A new bungalow on this site would be alongside the Downslink gateway to the South Downs National Park and it is felt that any type of dwelling on this site would be out of keeping with its position at the entry to the National Park. The Society **objects** to this application.

We hope that you will take this point into consideration when determining this application.

Yours faithfully

Steve Ankers
Planning Officer
