Subject: Proposed Planning of Summerhouse at 93 Grand Avenue, Worthing BN11 5BD
To: <planning@adur-worthing.gov.uk>

Dear Amanda

As before-mentioned, please refer to the enclosed attached screenshot - whereby I suggest the proposed summerhouse should be placed further down the garden to the West for increased privacy for everyone concerned and extra Westerly sun for the owner where they can sit out in the sunshine with open doors.

I hope this helps

Kind Regards

Chiara Devereux
