Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The original letter I received about the proposed extension to 6 Links Road, Lancing, BN15 9BY dated 25/02, and plans related to that letter stated the extension would be 3.5 meters in length from the rear wall of the property, and those plans are still on the planning website. However, in the letter that I received today (14/07) dated 7/07 states that the extension is 5.5 metres in length a difference of 2 meters that I have not been made aware of. I had no objection to the original plans - except to point out that the rear down pipe had been drawn on the wrong property - however I object to having a 5.5 metre extension being built. It seems to me rather underhand to add an extra 2 meters to the length without telling me.
