Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	It would have been nice if the applicants, out of courtesy, had mentioned their plans before we received the letter from Adur & Worthing Councils. We are concerned that there will be significant disruption with extra traffic, building debris, parking issues and above all, noise.

What is the anticipated timescale for the project?

We know there are other houses in Birkdale Road that already have this type of extension, so whatever we say, it will not change the inevitable outcome.

Kind regards
