Submission Type:
Customer objects to the Planning Application.

Comments:
We do not feel there is any justifiable reason for an earlier opening. Please bear in mind that this is a highly residential area with many elderly people living in the surrounding flats. We do not feel that any increased noise from the slamming of car doors is justified at 7.30 am. Also there is problem enough exiting our car park entrance trying to see safely round the vehicles parked on the adjacent footpath - often lorries which use the burger bar.
