Comments

Submission Type:
Customer wishes to comment on the Planning Application.

Comments:
I raise concerns over heavy commercial tipper trucks that will be using Kingsaton lane as access to Railway Wharf. This Lane is already subjected to a constant stream of 6 and 8 wheeler tipper trucks, from the Dudman wharf. The lane was never design to support such traffic. It is desperately in need of a 20MP limit. Restricted routing would be even better.
