Details of the pre-application advice received

We had originally submitted this application under permitted development and prior approval to 4m however the proposal was not deemed to fall under the criteria for permitted development due to the step in the rear wall being considered a side wall. Following advice from Benjamin Marshall we withdrew the applications and have submitted this householder application. The proposal has followed the 45 degree rule from the centre of the neighbouring window.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
