Subject: Condition Response - NH/24/06437 - AWDM/0630/24 - Unit 1, Red Square Retail Park, 194 Sompting Road, Worthing

Dear Ms Prew,

I refer to your email of 17 May 2024 seeking comments on the above planning application.

We have carried out a review of the application papers and our recommendation is that we raise no objection to this development proposal, subject to the following conditions:

(1) The intensity of the illumination of the sign shall not exceed 600 cd/m^2;

(2) The luminance levels will be checked once every 6 months and adjusted if necessary to ensure that the lighting intensity during daylight and darkness remains within the permitted levels as prescribed in (1) above.

These conditions are outlined to protect the safety of road users on the A27 trunk road.

Thank you for consulting with National Highways and please continue to consult on other planning applications via our inbox planningse@nationalhighways.co.uk.

Regards,

Matt Lewis (he/him) Assistant Spatial Planner
