Dear Sir,

I am writing this letter to you, in objection to the planning permission. For the business premises at 79-81 Brighton Road. Shoreham. by sea. BN43 6RE.

My objection is that I am an old age pensioner, living in a residential area. Adjacent to their premises & find the noise so to loud for any comfort & quite unbearing.

I also very strongly object to their application for a Drinks Licence, for the consumption of alcohol on the premises. I have no idea of their plans, for monitoring the behaviour of teenagers, having access to alcohol. In high spirits funding it a laugh, to intrude onto my privacy, & the boatyard itself.

I am not the kind of person, to object to a venue for young people, to enjoy themselves. This I fully endorse, but not with alcohol involved & the noise levels as they are.

This is a residential area, as far as all people living here are concerned. Being the place we live & have made our homes, the only homes we have. We would ask your consideration & the persons

enclosed, ie Rotton Contract, to appreciate the fact, that we live here.

Yours faithfully
