Pitched roof side extension with room in the roof
24, Queens Road, Southwick, Brighton, West Sussex.

Dear Mr Appleton,

Thankyou for your letter dated 12th Sept in which you informed us of the above planning application. We are replying to strongly object to to this application for the following reasons.

1, The height of the pitched roof and size of proposed extension will be visually overbearing and block out light to neighbouring properties.

2, The proposed extension will be on a corner plot making the entrance and exit to garage very close to the corner thus making it dangerous for traffic entering Queens Road from the Drive.

Yours Sincerely

J Goble [redacted]
