Dated 31/3/25....

I am the owner of Flat 4 ashacre court ashacre lane worthing BN13 2DB my apartment is above Flat 3 I've lived here for nearly 26 years I am very strongly AGAINST these French doors been put in Downstairs I Do Not agree with it it's going to change the outlook of the flats Also the construction of the building will be weaker and the mess and disturbance of it all happening....

I hope this is clear.....
Thank you....
