Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below

Tree species (and the number used on the sketch plan) and description of works.

Where trees are protected by a Tree Preservation Order you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in the same place.

We have a tree directly outside our address with TPO. It has had numerous planning to be felled, the most resent was Sep 2016 by Bushwakers tree care. We have a tree feller able to fell the tree to previous cuts for us on the 17th Dec 2018 as the tree is extremely large now.
We would like to summit planning for this date as our contractor is in the area anyway.

6. Trees - Additional Information

For all trees

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

For works to trees covered by a TPO

Please note:If none of the proposed work involves trees covered by a TPO, please answer 'No' to the two questions below

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application MUST be accompanied by the necessary evidence to support your proposals (see guidance notes for further details).

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
