- Overdevelopment
- Privacy Light and Noise

Comments:

The only access to the site is via an enclosed car park next to our dental practice. Building work would mean that the car park will be full of building materials, vans, etc. for a considerable period of time. This was the case some years ago when upgrading of the ground floor of 8 High Street was done. The proposed work will be even worse. We lease two parking spaces in the car park. Moreover, our fire exit and the only entrance/exit for disabled patients is via the car park. The light to our premises will be restricted by the proposed work and the noise will be detrimental to patient care.
