SCHEDULE

Reasons for Granting Permission

01. The proposed development can take place without detriment to the local environment, including protected trees, and would not detract from the character or appearance of the area. It would not result in any detriment to the amenities of neighbouring properties and consequently does not conflict with saved Adur Local Plan policies AG1, AH7 and the planning policies set out in the National Planning Policy Framework

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The external materials and finishes of the development hereby permitted shall be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

    Reason: *In the interests of visual amenity and to comply with saved policy AH7 of the Adur District Local Plan.*

03. The development hereby permitted shall be carried out in accordance with the following approved plans:-

    Drawing No. ADC561/LP titled Location Plan date valid 10-05-2013
    Drawing No. ADC561/BP titled Block Plan date valid 10-05-2013
    Drawing No. ADC561/02 titled Proposed Plan and Elevations date valid 10-05-2013

    Reason: *For the avoidance of doubt and in the interests of proper planning.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Cont../

02. If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented
