Comments:	Dear Sir/ Madam, I have yet to hear the decision on this. Please be advise that we are strongly opposing the decision for the advertisement on the bus stop located directly outside of our property. The decision

allowing the advertisement will have determining whether of future of our family. We do not wish any artificial and harmful flashing lights to impact our family and the neighbourhood together with the wildlife visiting the area. I would like to see the reasoning and any benefits listed in a form of email or letter communication to myself and my husband. If such are not provided we would like to take this matter further with the authority.

Kind regards,
Joanna Bartlett
