Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	I note that the first application was withdrawn and that the above application appears to be a significant modification to the first application. Provided the skyline is not raised above its present level and the plane of the roof is not changed I have no further objection.Otherwise my objection should be treated as live Thank you for your notification. David Mahoney

Kind regards
