Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	We are opposed to the removal of the Monterey Cypress. It is one of three tall trees grouped together, two of which are in our garden. We feel that its removal could make our trees more at risk in strong winds. From a purely aesthetic standpoint we would not want to lose such a beautiful tree from the landscape. We can only presume there are compelling structural reasons for the application to have it removed. K & H Graves
