Comments: Dear Adur Planning,

Unfortunately the proposed out building in the garden at Leaconfield Road would be close to six or seven other properties and their associated gardens. As one of these homeowners, I can see that it would not be appropriate to have a commercial building in this area.

The residents that would be affected by this building are responsible, hard-working people who value the peace and quiet of their outdoor space.

Thank you for your careful consideration,
with kind regards,
Meesha Taylor
