Good Morning,

My name is Andrew Grant and I live at 88 Hillrise Avenue with my partner Nicola Freeman. We own the property.

I just wanted to say that we are in support of the application of our neighbours Mr and Mrs Barker at 90 Hillrise to add a single story extension to their existing dwelling to make it more fit for modern family life.

I feel it will have little to no impact on ourselves or the surrounding properties and area. If you would like/ need further comment please Reach out to me on this email address.

Kind regards

Andrew Grant
